Kathrin Schnizer

UX / UI DESIGNER

As a UX/UI Designer, my aim is to simplify complexity, crafting intuitive and delightful interactions that resonate with users, making them feel truly understood.

WORK EXPERIENCE

UX / UI DESIGNER

CLIMATEPARTNER, MUNICH | 2024 – PRESENT

- Product focus: optimizing manual workflows through an AI-powered internal tool
- Conduct, organize, and analyze user interviews
- Create ux flows, highlighting pains and opportunities
- Craft low- and high-fidelity prototypes for user tests
- Polish, formalize, and document designs to conduct a smooth handover

STUDENT INTERN UX / UI DESIGN

CLIMATEPARTNER, MUNICH | 2020 – 2023

- Product focus: simplifying complex data collection processes – B2C (06/2020 - 12/2021) and B2B (09/2021 - 12/2023)
- Conduct research, develop personas, brand, and user journey
- Create prototypes, perform usability testing and design iterations
- Prepare designs for implementation, conduct UI acceptance
- Create and maintain the shared design system
- Collaborations with design colleagues on overarching topics

STUDENT ASSISTANT

LUDWIG MAXIMILIAN UNIVERSITY, MUNICH | 2015 – 2019

- Develop and deliver programming tutorials in R and JavaScript
- Create concepts and designs for teaching materials
- Design and implement a visualization tool for analyzing linguistic aspects of speech
